

Parents: Please complete the three activities for each day. This is your child's Blizzard Bag for the snow days that we have to make up. If you do not have access to the internet, please let me know at aunklesbay@louisville.sparcc.org or call 330-875-1177. Students are to complete all of the activities for the day. Please initial in each box when complete and send this board and any things they have to create back to school when you have done all activities are completed for the day. This board will be used for any snow days that we have. Please start with Day 1 for the first snow. The next time we have a snow day, you will do Day 2, and etc. Please initial in each box once activity is completed. Send it back in after each snow day.
